This beautiful townhouse retains original features typical of homes in the area. The layout is as follows: entrance, living-dining room, kitchen, and patio. On the first floor, there are the bedrooms and a bathroom. Going up the stairs, you'll find a lovely terrace with stunning views and two additional rooms. With a good renovation, this property can be transformed into a fantastic home with lots of potential. It was lived in until recently, so the structure is still in very good condition. free for Benahavís residents. There's also the Daidín School, and much more…
