Описание:Benahavis, Flamengos urbanization, Plot WITH SEA VIEWS in one of the most luxurious private developments on the Costa del Sol. It has only a slight slope (10 meters) of its 66 meters in length, making it the best-located plot in the entire development. 370 m2 can be built above ground. The price is set to sell now; the

appraisal is much higher. The condition of the plot allows for construction at normal prices, meaning without steep slopes, making the construction cost considerably more economical. The surrounding houses are modern, contemporary mansions. In compliance with Andalusian Regional Government Decree 2182005 of October 11, the client is informed that notary, registry, property transfer (ITP), and other expenses inherent to the purchase are not included in the price.
